
Musical Idea Logic Technique Art Presentation

sarali varisai - shivkumar kalyanaraman - students' minds. the tendency to render it in a bland and insipid manner should be avoided. melsthai varishais: these are higher octave sequences, which increase the students' vocal or instrumental range. again, the logic is easy to understand. **guilford's structure of the intellect - co-creativity** - the operations dimension describes what the brain does with and to these types of information: cognition has to do with the ability to perceive the various items. for example, the cognition of semantic units has to do with
